

Identity Recovery

Overview of Identity Recovery Coverage for Homeowners & Mobile Homeowners

Identity Recovery is a comprehensive insurance solution designed to help homeowners respond to identity theft. Coverage includes reimbursement for out-of-pocket identity recovery expenses as well as services of a case manager to help restore identity and credit records to pre-theft conditions.

Additionally, this coverage offers monitoring services that go beyond just analyzing credit related data to detect fraud. A toll-free helpline is available with counselors to answer questions and give information on identity theft loss prevention.
